Barn Hunt Association Events

Barn Hunting is a popular and quickly growing dog sport in the United States. During a Barn Hunt, dogs locate rats, which are safely enclosed in aerated tubes, hidden in a straw or hay bale maze. It is a timed competitive event and the winners can receive titles, placements, and championships, some of which are recognized by the AKC.

This June, Barn Hunt is holding two events in Connection, one in East Norwalk, and one in Newtown. For more information on Barn Hunt and how to attend these events, look here: <https://www.barnhunt.com/>
