## **In Memoriam: Nellie Camperchioli**

Nellie, a Landseer Newfoundland came to Day School when she was 11 months old. She was already bigger than most other dogs. True to form, she was a sweet, gentle giant and we loved having her. She passed unexpectedly this month of a suspected brain tumor at nine years young. Our sincerest condolences to Joan and her family. Her presence will be sorely missed. Miss Nellie, run pain free over the Rainbow bridge.
